

Presidents Report AGM 2017

2016-17 has been a great year for the Society.

I would like to take this opportunity to thank the committee this year for their help and support throughout the year.

Once again both the North Island and South Island Champ Shows were well supported and ran well.

Horse of the Year was once again a great success. I would especially like to acknowledge the South Island competitors and what a marathon effort it was for them to attend this year with the Coast Road being closed, meaning a huge detour. We really appreciate the huge effort it was to get there and were glad to see so many of you. Let's hope by next show that the road is open again.

Our colouring competition and photo competition were well supported and it is great seeing it is providing an opportunity for a us to be family focused and also include some members who are not show competitors.

We have a great committee, who are all very approachable and we love feedback and ideas, so please feel free to contact us.

I would to also say a HUGE thank you everyone who has helped this year in some way, whether it be on committee, helping the pinto ring at a local show, stewarding, helping get sponsorship, anything you have done to help, your support and your dedication to our Society is very much appreciated, without hard-working members like yourselves, we would have no Society. There are many ways in which members help us. I am really looking forward to another fantastic year.
